Transcript: 1. Brought to you by: Breadmaker Part Store www.bonanza.com/book/BreadmakerPartStore 2. Feel that special warm homey atmosphere that only fresh home baked bread can provide. Magic Chef is pleased and proud to add to your quality of life with our deluxe Model 310, 1.5lb. Automatic Bread maker. Please read all instructions before your first loaf. While we do provide a "Quick Start Guide" instruction sheet to get that fi rat loaf experience, the enjoyment .msel understa nding of your Magic Chef Automatic Bread maker can only come from a thorough reading of the on line book et. Careful measuring books are included with this unit. These books are the real secret to successful bread making. Unlike home recipes where an extra pinch of this or that gives the individuality to other types of cooking, breadmaking requi res precise measurements. A teaspoon is a teaspoon - not a small soup spoon and not a small pouring of salt or yeast into the palm of your hand! Once you have made many many loaves of bread you may wish to experiment with ingredients. Remember, Roger Banister did not break the 4 minute mile the first time he ran. We have included many problem solving solutions in a clear and direct manner to enhance your full enjoyment. Since temperature, humidity, freshness of the yeast, altitude from sea level etc. may affect the bread consistency, please read the entire manual to allow for such variances. The kitchens of Magic Chef have included many bread recipes and these may be augmented with choices from the many Automatic Recipe Books available at most bookstores. So enjoy... and be prepared to become the most popular person in your family. ?? NEED HELP? BEFORE CONTACTING YOUR RETAILER CALL TOLL FREE 1-888-888-2433. 3.
